

Age Action Volunteer Registration Form

Age Action is Ireland's leading advocacy organisation for all of us as we age.

Age Action is mindful that older people are more vulnerable to the effects of Covid-19 and therefore want to ensure that we support everyone during this time. We are heartened to see the growing number of people who want to volunteer their time with Age Action to support older people.

Before starting your volunteer role, we will provide you with advice, support and training to help you stay safe. Please see below details and requirements for each volunteer role.
