

December 2023: Age Action Ireland to benefit from Gas Networks Ireland Survey

Gas Networks Ireland is raising money for Age Action. If you've recently called their contact centre or had work done by them, you might receive a text from Gas Networks asking for your feedback. For every response received, they'll donate €2 to Age Action. There is no obligation to participate.

How It Works - If you've had contact with Gas Networks Ireland service centre or had work carried out by them, you may receive a message from Marie Lyster, their Customer Experience Manager. This message is an invitation to share your feedback.

By providing feedback – only if you choose to – you'll be supporting Age Action Ireland. For every piece of feedback received, Gas Networks Ireland will donate €2 to our organisation. This contribution can support our efforts to improve the lives of older people in Ireland. You won't be asked for any bank details or money. Gas Networks Ireland is handling all the donations.

If you would rather not get these texts, just let them know and you won't be included. If you are over 65yrs old, you can contact them directly on their Age-Friendly service. See their contact details [here](#).

For Corporate Clients- Please note that Gas Networks donate €50 for each qualitative interview their commercial customers take part in.

Details on Gas networks customer surveys is available [here](#).
