

Age Action Getting Started referral form

This form is to be used where a person is referring someone else to a Getting Started Digital Literacy class.

Age Action's Getting Started is a free digital literacy programme, helping older people to get online, or use their smart device with confidence. Every older learner is matched with their own volunteer tutor to work with them over five weeks on the skills they want to develop, at a pace that suits them.

If you would like to sign up to a Getting Started class yourself, then you can call our office on (01) 4756989.
